Dear,

Sathvik Rao

Welcome to the Scalant family!

We are delighted to inform you that you have been selected to join our team and contribute as a Graphic Designer. We hope that you are excited to embark on a remarkable journey with us.

At Scalant, we believe that our vision and ambition can influence how far we go. We support learners in their uncertain journey towards their goals and assist them in putting their knowledge into action by providing the right guidance and resources. Our objective is to bring a wide range of intellectuals, students, and enthusiasts together so they can collaborate, develop, and expand their knowledge.

We are grateful for your willingness to offer your time and talent, as well as your dedication to serve. Our team is thrilled to welcome a passionate individual like you on board to strengthen the community and help Scalant thrive.

We look forward to having you on our team and supporting you in reaching your full potential.

Best regards,
Team Scalant
